COMPLAINTS COMMITTEE

The Complaints Committee thoroughly examined all complaints received from County residents. All complaints were required to be on the standard complaint form. Complaints were handled in the strictest confidence and reviewed only by the Complaints Committee, unless it determined to forward a complaint to an action committee.

During the period July 1, 2002 to June 30, 2003 the Grand Jury received 28 complaints. Five were carried over from the 2001-2002 Grand Jury. Complaints that were within the jurisdiction of the Grand Jury went to the following committees:

Administrative	3
Audit/Fiscal	2
Economic Development/Public Services	1
Health & Human Services	1
Law and Justice	2
